"Part of my life is gone on a bus seat"

Joaquin Duarte

Gender: Masculine
Age: 21
Location: Carahue

Personality

Introvert — **Extrovert**

Disorganized — **Organized**

Emotional — **Rational**

Biography

The first university student in another city in the family as well as the lastborn son. The burden of carrying many expectations from his family weighs heavy on his shoulders.

Challenges

- University is very far
- Transportation and travel routine
- Expectations from his family

Technologies

Medium end smartphone, potent laptop, noise canceling headphones.

Objectives

- Helping his family
- Become a successful professional
- Become a hacker

"My biggest disability is never being able to touch a ball again."

Felipe Sanchez

Gender: Masculine
Age: 28
Location: Lautaro

Personality

Introvert — **Extrovert**

Disorganized — **Organized**

Emotional — **Rational**

Biography

A soccer player since childhood, he made it to the national team, but a car accident left him with a chronic knee injury, preventing him from playing. As a result, he can no longer drive because it triggers a phobia and he can't afford it.

Challenges

- Adapting to his new reality
- Reduced mobility
- Has never used public transit

Objectives

- Travel alone on bus
- Become independent once more
- Get over his phobia of cars

Technologies

- High end smartphone
- High end sports headphones
- Skilled at using Instagram and all social media, but can't handle Excel.

"He wanted me to live happy that's what I'm doing"

Clementina Pincheira

Gender: Female
Age: 71
Location: Imperial

Personality

Introvert — Extrovert

Disorganized — Organized

Emotional — Rational

Biography

She was born and lived her whole life in Imperial, married young, and spent her life as a housewife. Now that her husband has passed away and her children no longer live with her, she seeks to escape loneliness by selling woolen garments at the Temuco market.

Challenges

- Health in decline
- All childhood friends are dead
- Doesn't know how the bus lines that connect to Temuco work

Objectives

- Get to know new people
- Generate extra income
- To not mourn the passing of her late husband and live as happily as he would have wanted her to be.

Technologies

She's been using the same medium end phone her son gave her three years ago. She's skilled at using Facebook and WhatsApp, but she doesn't like using Instagram.
